SUMMARY

Motivated BCA student with a strong grasp of web development, programming, and data management. Proficient in various programming languages and database management systems. Skilled in both front-end and back-end development with hands-on experience in building and optimizing applications. Excited to leverage technical skills and industry knowledge in an IT role that offers growth and learning opportunities.

EDUCATION

Secondary Education (10th)   **Year 2019**
Manoram Boarding School, Kathmandu, Nepal

Higher Secondary Education (12th)   **Year 2021**
Triton International College, Kathmandu, Nepal

Bachelor of Computer Applications (BCA)   **2022 – Present**
Acharya Institute, Bangalore
- Relevant Coursework: Data Structures, Database Management Systems, Web Development, Software Engineering, Object-Oriented Programming with Java, Python for Data Analysis.
- Achievements: Consistently ranked among top students in web development and data management.

PROJECTS

Responsive Web Development Project
- Created a fully responsive, user-friendly website as part of a college project, implementing UI/UX best practices.
- Utilized HTML, CSS, and JavaScript for front-end design, with SQL for back-end database management.
- Implemented dynamic content features and optimized site performance for faster loading times.

Database Management System (DBMS) Project
- Designed a database management system for a mock e-commerce platform, enabling efficient data storage and retrieval.
- Used SQL for database queries, optimizing data handling and ensuring data consistency.
- Gained hands-on experience in relational database design and management.

TECHNICAL SKILLS

- Programming Languages: C, Python, Java
- Web Development: HTML, CSS, JavaScript, Responsive Design
- Database Management: SQL, DBMS

CERTIFICATION

- Data Analytics Certification – Google
- Front-End Development (Self-study/Additional Courses on platforms like Coursera or Udemy)
